OFFICE OF THE COMPTROLLER TO THE GOVERNMENT OF
HIS HIGHNESS THE MAHARAJA OF MYSORE

No. 388/WAD. IV

Bangalore, dated 15th February 194 5.

From

M. SHAMANNA, Esq., M.A.,
Comptroller to the Government of
His Highness the Maharaja of Mysore,
BANGALORE.

To

The Financial Secretary
to the Government of Mysore,
Bangalore.

Sir,

Re: the grant of C.A. to Diploma holders in Civil, Mechanical & Electrical Engineering when employed as P.W.D.Surveyors.

==========

In inviting kind reference to G.O.No.P.W.8198-202 dated 3rd June 44 (Fl.4173 dated 27-6-44) directing that all Diploma holders in Civil, Mechanical and Electrical Engineering be started on Rs.40/- in grade 35-5/2-80 when entertained as Surveyors in P.W.D., I have the honour to state that this order is silent in respect of the amount of conveyance allowance to be granted to them when so employed; whereas the G.O.No.5748-50 dated 13-2-43 on the subject while fixing the initial pay of these Diploma holders as Surveyors at Rs.50/- has also fixed the conveyance allowance at Rs.5/-.

In this connection, it may be stated that this office is not generally in a position to ascertain whether the Surveyor appointed is a Diploma holder or not so as to facilitate scrutiny of conveyance allowance granted to them, with respect to the rates sanctioned in the above Government order; it is seen that both the rates at Rs.15/- and Rs.5/- are being claimed in bill, which are however admitted in audit. The circumstances under which some of these are granted the full rate of Rs.15 while others are given only Rs.5 are not made clear and the Chief Engineer has been even addressed in a certain case to intimate the circumstances necessitating the grant of Rs.15/- inspite of the Government Order fixing the lower rate and whether sanction of Government was obtained in each of such cases of rise, Receipt of his opinion is still awaited. Kind reference to Government Order No.1845-46 dated 28-9-44 Fl.1048 dated 29-9-44 is invited and the Government Order is silent in regard to the nature of the conveyance required to be maintained in case the higher rate of Rs.15/- has to be granted, in the light of the opinion furnished by this office in U.O.file No.367/WAD.IV dated 16-5-44. A clear ruling in this aspect is therefore considered necessary so as to arrest the grant of a uniform rate of Rs.15/- throughout irrespective of the fact of adequate conveyance being maintained or not in consideration of the extent of jurisdiction and the nature of Executive work in each case.

Copy of letter No.294/J.A dated 24th November 44 received from the Auditor, Jog Power Scheme, requesting clarification of the spirit of the Government Orders under reference for guidance in audit is herein enclosed for kind perusal. He has been however informed that the present rate of conveyance allowance of Rs.5/- may be continued to be admitted in audit pending final orders of Government and that audit of pay be conducted in accordance with the several Government Orders as and when tney were issued from time to time.

Favour

2314/7c 3719 PW.

Favour of early instructions is solicited.

I have the honour to be,
Sir,

Date 8.3.45

P. W. SECRETARIAT.
Date 16.3.45

Letter No.294/J.A dated 24th November 44 from the Auditor, Jog Power Scheme, Hirebhasgar, to the Comptroller of Mysore, Bangalore.

Re.G.O.No.P.W.8198-202 dated 3-6-44 directing that Civil, Mechanical and Electrical Engineering candidates be started on Rs.40/- per mensem in grade 35-5/2-80 when taken as P.W.D. Surveyors.

In inviting your kind reference to G.O.No.P.W.8198-202 dated 3-6-44 directing that all Diploma holders in Civil, Mechanical and Electrical Engineering be started on Rs.40/- p.m. in grade 35-5/2-80 when entertained as Surveyors in P.W.D. I have the honour to state as follows:-

1. The Government Order quoted has not yet been received in this office with the financial confirmation. Even the G.O.No. 5748-50 dated 13-2-43, sanctioning the entertainment of L.M.E. and L.E.E. candidates as Surveyors in P.W.D. on an initial pay of Rs.50 per mensem in grade 35-5/2-80 plus 5 C.A. was not received in this office with financial confirmation.

2. The L.M.E. and L.E.E. candidates in this circule were allowed an initial pay of Rs.35/- p.m. in grade (45 special minimum in this area plus L.A.13-8-0 and C.A.15) in grade 35-5/2-80 as in the case of Civil Engineering candidates till the middle of March 1944 when it was noticed that they were eligible for a salary of Rs.50 and C.A-5 as per G.O. dated 13-2-1943 instead of 45 plus 15 C.A. in Jog area.

3. As it was felt necessary to regulate the initial pay and the C.A. of the L.M.E and L.E.E. initial pay and the C.A. of the L.M.E. and L.E.E. Surveyors (to Rs.50 plus C.A.5 plus L.A.15) who were working in this Circle, according to the G.O. dated 13-2-43, it was observed in audit that an excess amount at the rate of Rs.3-8-0 per mensem in each case as per details in the margin, had to be recovered from the Surveyors from the date of their entertainment in this Circle.

As originally paid	
Pay (special minimum)	Rs.45-0-0
L.A.	13-8-0
C.A.	15-0-0
Total (a)	73-8-0
As admissible as per G.O.dated 13-2-43.	
Pay	50-0-0
L.A	15-0-0
C.A	5-0-0
Total (b)	70-0-0
a - b	-3-8-0

4. The names of L.M.E. and L.E.E.candidates working as Surveyors were called for from the Executive Engineers of the Divisions in this Circle. On receipt of the information, excess amounts paid to each of the Surveyors as noted below from the dates of their appointment were calculated and the Executive Engineers intimated to recover them in monthly instalments.

	Date of appointment.	Total amount to be recovered.
1. P.Ramachandrappa, L.M.E	24-9-42	56-12-0
2. S.V.Sreenivasan L.E.E	21-12-42	26-12-0
3. S.N.Narayana Setty L.M.E	23-12-42	57- 1-0
4. M.A.Kasilingam, L.E.E	20- 1-43	51- 6-0
5. S.G.Ranganathappa, L.E.E	6-10-43	27- 7-0

5. Complete recoveries were effected in the case of item Nos.1, 2 & 4. Only one instalment of recovery was made in the case of item No.3 and he was transferred then to Tumkur Division. The Executive Engineer, No.1 Division, Hirebhasgar, addressed the Executive Engineer, Tumkur Division, in his letter No.112 dated 27-7-44 to effect the recovery for the balance amount of Rs.44/-. The recoveries towards this are not yet intimated. Two instalments were recovered in the case of item No.5 and he is said to have resigned from service with effect from 15-8-44 A.N. A sum of Rs.9 remains unrecovered from this official.

6. In the meanwhile, the Superintending Engineer, Jog Power Scheme, Jog referred the question regarding fixing the initial pay of the above Surveyors to the Chief Engineer for Irrigation in Mysore, Bangalore, who has stated in his letter No.320/E dated 16-7-1944 addressed to the Superintending Engineer, J.P.S. Jog, that to keep uniformity both the Civil Engineering candidates and Mechanical and Electrical Engineering diploma holders be started on Rs.40 plus C.A.15. He has further stated that in accordance with the recent G.O.No.P.W.8198-202 dated 3-6-44 diploma holders in Civil, Mechanical and Electrical Engineering are eligible for a starting pay of Rs.40 per mensem in grade 35-5/2-80.

7. The following points of doubt are now felt in regard to the fixing of initial pay and C.A. to the above Surveyors.

a) Whether the G.O. of 3-6-44 is to have retrospective effect or whether the Surveyors appointed prior to the date and given the benefit of higher start as per G.O. dated 13-2-43 may be allowed to continue to draw the rate of Rs.50 p.m. in the grade 35-5/2-80 and also allowed the increments as and when they fall due to them, the revised orders being given effect to only for those entertained on or after 3-6-44.

b) The G.O. dated 3-6-44 has not stated any thing about the C.A. to be allowed to the Surveyors though in the order of 13-2-43 it is specifically mentioned that L.M.E. and L.E.E. candidates may be given a bicycle allowance of Rs.5 p.m.. Whether under the revised orders of Government, dated 3-6-44 the officials recruited on or after 3-6-44 have to be allowed a C.A. of Rs.5 only as contemplated in the G.O. of February 43 or Rs.15 p.m. as is usually allowed to the Surveyors in P.W.D. and C.A. of Rs.5 passed only to those coming under the perview of G.O. of February 43

I request the favour of your early orders on the points raised above with reference to ~~xxx~~ similar cases in the Central office and the procedure followed in such cases.

Ramaswamy
Assistant Comptroller.

15/2

Rate of conveyance allow Gran
L.C.E, L.M.E & L.E

Continuation Sheet. File No. / Current No. of

L.M.E and L.E.E. candidates are entertained as Subovesers on Rs 40 in grade Rs 35-3/2-80 plus Rs 5 bicycle allow-ance, as per Govt. no. PW 8198-202 dt 3.6.4 originally they were granted a starting pay of Rs 50 plus Rs 5 bicycle allowance as per Govt no PW. 5748-50 dt 13.2.1943, as it was perhaps the intention that these Subordinates should be utilised for supervision of water supply, drainage road and other works not requiring any of higher civil engineering knowledge and that the maintenance of a bicycle would be enough for the discharge of their duties. In the case of civil engineering diploma holders their duties require them to make journeys to interior parts to supervise irrigation and such other works and they have to maintain ponies. They should be granted a C.A of Rs 15/- as at present subject to the production of the certificate of maintenance of the required mode of conveyance.

2. The Chief Engineer may perhaps be asked to furnish information to the audit Office regarding the qualifications of the candidates when making appointments of diploma holders

in the three branches of engineering.—

3. A few L.M.E and L.E.E candidates who were in service prior to the above G.O's and who were in receipt of a CA of Rs 15/- have been allowed the same rate of CA. in the interests of works.

Secs 21/10/37 WS As per the later G.O, all diploma holders, whether civil, mechanical or electrical, when recruited to the P.W.D, be started on Rs 40/- in grade Rs 35-5/2-60. This order has no retrospective effect.

As regards CA, it is fixed at Rs 5/- or Rs 15/- p.m according to the nature of the work entrusted to him. Subordinate whose duties do not require extensive journeys as is the case with those in charge of sections in P.W.D Sections, will draw only Rs 5/- p.m as a cycle allowance for his own. In the case of the latter, the CA will be Rs 15/- p.m if he maintains the conveyance as specified in M.S.R

× × ×

Initial pay of L.M.E and L.E.E candidates whose pay as Sub Overseers was fixed at Rs.50/- in view of Government Order No.5748-50 dated 13-2-1942, will be fixed at Rs.40/- treating the difference of pay as - absorbable Personal Allowance to be in par with other subordinates.

-A'

It is not ~~our~~ desirable to reduce the Conveyance Allowance of the subordinates from Rs.15/- to Rs.5/- as this will seriously interfere with the efficient discharge of Government duties. The activities of the Department are increased many-fold and there has not been corresponding increase in the staff, (basic in the shortage of hands) The subordinates are ~~x~~ all - over-worked. There is great dearth for qualified hands and all the Circles are working short-handed for want of technical candidates. The present rate of Conveyance - Allowance is not therefore susceptible of any reduction.

27/10/45

Vide CA. to L.M.E.'s and L.E.E.'s entertained as subversive of

Continuation Sheet. File No. Current No. of Page.

when a case was made out by the Chief Engineer for the entertainment of L.M.E. candidates in 1942, it was the intention to employ them on water supply, Drainage and Sanitary works and on supervision of steam and petrol road rollers. their appointment on Rs 50 + Rs 5 bicycle allowance was then sanctioned, and the starting pay of such men as were entertained later on was fixed at Rs 40 in the case of mechanical, electrical and civil engineering students. The duties of the L.M.E and L.E.E candidates did not require the maintenance of ponies and hence their CA was fixed at Rs 5/- for maintaining a bicycle only. No animal conveyance was necessary for inspection of works (mostly irrigation) lying in the interior, and as only civil engineering students are considered suitable for such works they are granted a CA of Rs 15/- for maintaining ponies.

2. The C.E. recommends the grant of a CA of Rs 15/- to the L.M.E. and L.E.E candidates also so that efficient discharge of duties may not be affected. A report may perhaps be obtained from the C.E. as to how the L.E.E and L.M.

Re:- Conveyance Allowance to L.M.E. & L.E.E. candidates.

I have the honour to invite reference to this office Memo No. 5348 dated 19-2-1946 regarding the above subject and to request that orders of Government thereon may kindly be communicated early.

I have the honour to be,

Sir,

Your most obedient servant,

GCS/22nd.

CHIEF ENGINEER FOR IRRIGATION.

Proceedings of the Government of His Highness the Maharaja of Mysore.

Read -

G.O.No.P.W.3168-71 dated 23rd October 1942 sanctioning the entertainment of L. . . . candidates as Surveyors in the Public Works Department subject to certain conditions.

2. G.O.No.P.W.5748-50 dated 13th February 1943 sanctioning the entertainment of L.M.E. candidates as Surveyors in the Public Works Department and the grant of an initial pay of Rs.50/- in grade Rs.35-5/2-80 with a bicycle allowance of Rs.5/- per mensem to both the L.M.E. and L. . . . candidates from the dates they have been entertained as Surveyors and to those to be entertained in future.

3. G.O.No.P.W.8193-202 dated 3rd June 1944, directing that all the diploma holders in Civil, Mechanical and Electrical Engineering be started on Rs.40/- in grade Rs.35-5/280 when entertained as Surveyors in the Public Works Department.

4. Letter No.388/W.A.D.IV dated 15th February 1945 from the Controller to Government, regarding the grant of Conveyance Allowance to Diploma holders in Civil, Mechanical and Electrical Engineering when employed as Surveyors (now Sub Overseers) in the Public Works Department.

5. Correspondence ending with memo No.5348/ dated 19th February 1946 from the Chief Engineer for Irrigation on the subject.

Order thereon No. . . . 87/ . . 4/G&L 30-05-2-0 Dated, Bangalore, 3/8/ July 1946.

The Comptroller brings to notice certain difficulties experienced during audit in respect of the grant of conveyance allowance at two different rates viz., at Re.15 per mensem which is the usual rate paid to the Suboverseers in the P.W.Department and at Rs.5/- to the diploma holders as directed in the G.O. dated 13-2-1943 and states that the Audit Office is not generally in a position to ascertain whether the Suboverseer appointed is a diploma holder or not facilitate the scrutiny of conveyance allowance claimed in the bills. He has therefore sought for orders in the matter.

After a careful consideration of the question, Government are pleased to direct that a Conveyance Allowance of Rs.15/- per mensem be granted to the L.M.E. and L.E.E. candidates also who are employed as Suboverseers in the P.W.D. like the Civil Engineering students.

By order,

Secretary to Government, P.W.D.

GENERAL AND REVENUE SECRETARIAT.

(*Continuation sheet draft form*).

Conveyance allowance at two different rates viz as Rs 15/- p.m which is the usual rate paid to the Sub Overseers in the P.W.D and at Rs 5/- to the diploma holders as directed in the G.O dated 13-2-1943 and states that the Audit Office is not generally in a position to ascertain whether the Sub Overseer appointed is a diploma holder or not to facilitate the scrutiny of Conveyance allowance claimed in the bills. He has therefore sought for ~~for~~ orders ~~from~~ instructions in the matter.

After a careful consideration of the Question, Govt are pleased to direct that 2 C/s rate Rs 15/- p.m be granted to the L.M.E., and L.E.E Candidates also who are employed as Sub Overseers in the P.W.D ~~under the~~ Civil Engineering Department.
